FUNDING OPPORTUNITY: CHRISTIAN COUNSELING LAB

DESCRIPTION: South Florida Bible College and Theological Seminary offers a fully accredited Bachelor of Arts in Christian Counseling towards a Master of Arts in Christian Counseling. Students are equipped with the knowledge and skills that are critical for professionally counseling families and individuals in a variety of agency, church, and para-church settings. To obtain necessary training, students participate as interns counseling clients in a lab setting. This lab must be a soundproof/privacy and comfortable space with a teaching and observation area. Staffing and improvements are needed for a three-year start-up period.

BENEFIT: Mental health professionals are in high demand. Businesses and churches need Christ-centered counselors for community betterment and individual mental health. In addition, interns under supervision of a licensed counselor will provide affordable counseling to students and the community at large.

CHRISTIAN COUNSELING LAB COST: \$75,000 includes all construction, soundproofing, video equipment, two-way mirror, phones, furniture, HIPAA compliant cabinets, and other office equipment. (A cost breakdown is available upon request.)

CHRISTIAN COUNSELING LAB 3-YEAR STAFFING (2 STAFF) COST: \$300,000

RECOGNITION: Donor Recognition Opportunity (subject to Board approval)
